

On motion of Mr. Powell, the consideration of the Senate resolution on per diem was resumed.

Mr. Gudger moved that the resolution be referred to the Committee on Finance, and the House refused to refer.

Mr. Powell demanded the previous question and the House refused to order it. And the resolution was put on its second reading and passed, and was ordered to its third and final reading, when Mr. Ransom offered the following amendment: Amend by striking out all relative to clerks.

The amendment was rejected.

Mr. Clarke of Craven moved to amend by striking out \$4.00 per day and inserting \$3.00 as the pay of members and other officers.

The amendment was rejected, and Mr. Cooper sent forward the following amendment:

That the said resolution shall not refer to travel in coming to the Capital nor for service hereafter rendered.

The House refused to adopt the amendment.

Mr. Powell called the previous question, and the call was sustained and the main question was ordered.

The yeas and nays were had and the resolution was adopted by the following vote and ordered to be enrolled for ratification:
